STAT

MEMORANDUM FOR:

FROM : Chairman, CIA Patents Board

SUBJECT : Determination of Interest

1. On 4 December 1964 the CIA Patent Board reviewed your Record of Invention entitled "Search Table".

2. It was the opinion of the Board that the duty assignment of the inventor and the use of Government materials was sufficient contribution to entitle the Government to the entire right, title, and interest in this invention. The Board's ruling is based on the nature of the invention, the fact that Government materials, time and facilities was spent in the development of the invention and the fact that the invention bears a direct relationship to or made in consequence of official duty.

3. If you do not concur with the Board's ruling you have the right to obtain a review of the Board's determination by filing within 30 days after receipt of this notice, an appeal.

4. The Board will take no further action unless it receives from the inventor's supervisor a memorandum to the effect that this invention is of sufficient interest to this Agency, or to the Government that it warrants patenting.
